

# BISG SCHOOL NEWS

10th February, 2023

Hi All

*It hardly seems a minute ago that we were celebrating Christmas and yet we are almost at half-term. I expect one of the reasons time has flashed by so quickly is because of how busy we have been in school. I was particularly thrilled by the many themed weeks, days and events we participated in at B10, such as: International Week, Rest Our Pencils Day, Planetarium visit, Grandparents' Day and yesterday's theatre visit. If that wasn't all, there is the Carnival next week as well. The following half-term promises to be just as exciting, with World Book and Maths events, Science Week and finally Autism Day. Please make sure you have a look at our Instagram page to see just how much fun everyone is having.*

*Have a lovely weekend*

*Mr John Socha*

## PARENT NOTICES:

Please can parents not go past the office and upstairs to the classrooms without prior permission. Thank you.

## IMPORTANT DATES:

- Friday 17th February - School Carnival
- Friday 17th February - School Closes

# HIGHLIGHTS OF THE WEEK

Theatre trip to see Pippi Longstocking was great fun!

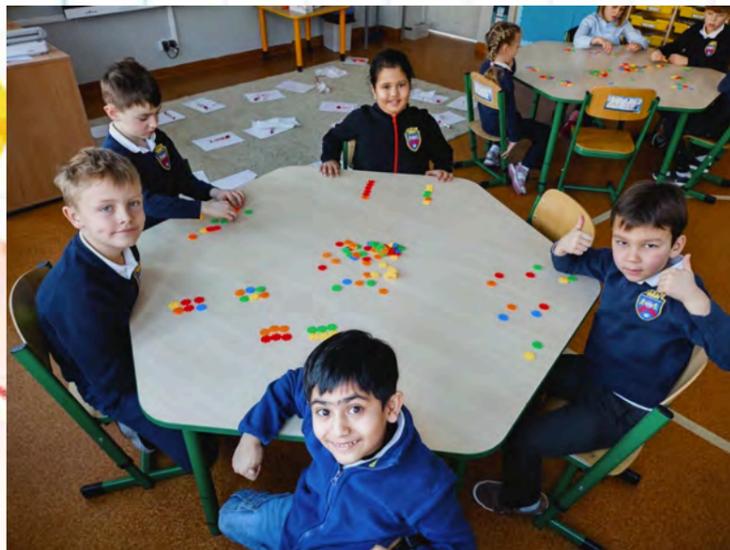

2a students prepared Valentine's cards

We finally had snow this week! Students enjoyed their time spent sledding, making snowmen and snowball fighting :)

1b students are now all ready for next week's Carnival

2a students can multiply by 10! :)

Class 1a counting equal groups of numbers

We now have bird feeders installed in the yard, and students are taking turns to feed the birds. A fun way to teach children responsibility!
